**STATEMENT OF  
QUALIFICATIONS**

All Lands Title was established on August 18, 1990 to fill a unique niche in the title research field. The main purpose of All Lands Title is to provide service for specialized information for Historical Title and Regulatory Database Research.

Sharon Elaine Hodges is the owner of Allands and is ultimately responsible for the quality and accuracy of work performed. Prior to organizing this firm, she was a Title Examiner II for the Arizona Department of Transportation, Highway Division, Right of Way Department. Sharon gained the experience which qualified her for that position over the past 20 years starting in her grandfather's Abstract Company in Clinton, Oklahoma. Since that time, she has been a "Land Man" in Oklahoma, and Title Officer for Record Data of Utah and Republic Title in Denver, Colorado. Her Arizona experience includes the positions of Title Searcher for Ticor Title; Title Officer for USLIFE Title; and High Liability Title Examiner for Chicago Title Agency. Sharon has an advanced degree in biology/chemistry, holds an Arizona Real Estate Salesman license and has attended many courses and seminars to enhance and refine her knowledge in the real property field.

All Lands Title has performed over 22,000 Title reports since 1990, 2000 being performed last year along with over 2000 Regulatory Database Reports for environmental consultants. All Lands Title is a Woman-Owned Business.
